- IOOF Investment Management Limited (IIML)/IOOF Investment Services Limited (IISL), as trustee of your super fund or service operator of your investment account, is required to obtain specific written consent before a fee for financial advice can be deducted from your account. You are not under any obligation to consent to the fee being deducted.
- You may revoke your consent at any time by contacting IIML or IISL via the options at the end of this form. Once your consent is revoked, no further fees will be deducted from your account however any amounts paid before you revoke your consent will not be automatically refunded.
- The default value for each advice fee is 0% or \$0, unless you agree and specify otherwise below in conjunction with your financial adviser.
- Advice fees can only be deducted from your super/ pension account if they relate to advice you receive about your super or pension benefits, insurance and investments.
- Advice fee(s) paid to your financial adviser and their Licensee (and quoted in this section) are inclusive of GST.
- The actual amount deducted from your account may be less than the amount quoted. This is because the Fund may be able to claim a reduced input tax credit (RITC) on some of these fees. Where the Fund is able to claim an RITC the benefit is passed on to you which effectively reduces the fee. Note that the RITC rules are subject to change and this may impact the RITC available in the future.
