Transfer Of Assets Into eXpand Investment

Please use this form if you want to transfer assets directly into your eXpand Investment account.

The transfer of assets into eXpand Investment can only occur where the beneficial owner remains unchanged. Once the assets are transferred they will be held in the name of Australian Executor Trustees Limited¹ as custodian of eXpand Investment on behalf of the beneficial owner. AETL is a related party of the Service Operator and is part of the IOOF group.

You must also complete the following documentation for each asset being transferred:

– In Specie Transfer Unrealised CGT Parcel Information

The In Specie Transfer Unrealised CGT Parcel Information form is used to provide the Service Operator with details of the current tax parcel information for each asset you transfer into eXpand Investment. The Service Operator will use the information supplied to establish the cost base of the assets in our registry. The cost base will then be managed by the Service Operator, and used to report on tax events which arise through asset sales, corporate actions and dividend/distribution payments in respect of the assets transferred.

It is your responsibility to ensure the information supplied to the Service Operator is correct and in the prescribed format. If you do not supply these details, or they are not supplied in the prescribed format, your transfer may not be processed.

Alternatively, you can download the In Specie Transfer Unrealised CGT Parcel Information spreadsheet (Excel file) available on our website (www.myexpand.com.au), complete and email to clientfirst@myexpand.com.au

Please note we will not upload the data you provide in this spreadsheet without receipt of your signed declaration on this form.
